

# How to Ride Local-Line Buses

Enter the bus from the rear door.  
Pay the fare when you get off.

Be sure to confirm the destination  
shown on the front and the side of  
the bus.

**1** Take a numbered ticket (called "Seiri-ken") from the machine when getting on the bus. Please note that numbered tickets ("Seiri-ken") are not issued on Kanazawa Loop Buses and Kanazawa Flat Buses. Simply get on those buses without taking a ticket.

Pay the bus fare when getting off. This numbered ticket shows the bus stop where you got on, and is required to pay the fare.  
\* On Kanazawa Flat Buses, pay the fare when you get on.

**2** After your stop is announced and shown on the display at the front of the bus, press the Request Stop button to let the driver know that you will get off at the next stop. The button will light up.

**3** Confirm the fare shown on the display.

The child fare (for elementary school students ages 6-12) is half the adult fare (rounded up to the nearest ¥10).

**4** When getting off, put both the fare and the numbered ticket in the fare box next to the driver.

Since change is not given, please use the change machine to put the exact fare in the fare box.  
¥10,000, ¥5,000, and ¥2,000 bills cannot be changed.

## Using the ONE DAY PASS (within usable service area)

When getting off, put the numbered ticket in the fare box and show the date on the Pass to the driver.
